Civil Action No. 7:18-cv-024-O-BP

**ORDER ACCEPTING FINDINGS, CONCLUSIONS, AND RECOMMENDATION
OF THE UNITED STATES MAGISTRATE JUDGE**

This is a habeas action brought pursuant to 28 U.S.C. § 2254 in which Petitioner challenges the validity of a prison disciplinary action. The United States Magistrate Judge made findings, conclusions, and a recommendation in this case in which he recommends that the petition be denied. ECF No. 8. Objections were filed by Petitioner. ECF No. 9. The district court reviewed de novo those portions of the proposed findings, conclusions, and a recommendation to which objection was made, and reviewed the remaining proposed findings, conclusions, and a recommendation for plain error. Finding no error, I am of the opinion that the findings of fact, conclusions of law, and reasons for denial set forth in the Magistrate Judge's Recommendation are correct and they are hereby adopted and incorporated by reference as the Findings of the Court.

Accordingly, the petition for writ of habeas corpus is **DENIED**.

SO ORDERED this 17th day of April, 2018.

Reed O'Connor
UNITED STATES DISTRICT JUDGE
